

Neighborhood Health Clinic

Dr. William and Nancy Lascheid, Founders

2022—2023

Partnership Opportunities

Impact

the medical care and education for the low-income labor force in Naples.

Reach

the leading philanthropists and volunteers in Naples by showcasing your partnership.

Shine

a light on your commitment to meeting the needs of our community.

Neighborhood Health Clinic is a unique model in Naples and nationwide.

Medical and dental care, including 20+ specialties, health classes, lab services and medications is provided at no cost to patients.

Unduplicated care is provided for low-income adults, many with 3—5 chronic diseases who have no other access to care in Naples.

Care is delivered by a volunteer staff of more than 700, including physicians, dentists, nurses and non-medical personnel.

Funding is provided by business partners, grants and loyal supporters. The Clinic does not accept any government funding.

Every dollar donated to the Clinic is leveraged 7 times over to provide more than \$21 million in services through more than 11,000 visits in 2021.

94 cents of every donated dollar goes directly to patient services.

Neighborhood Health Clinic's mission is to deliver quality medical and dental care to low-income, working but uninsured Collier County adults, using a professional volunteer staff and funded by private philanthropy.

Celebration of Hope and Healing

Our annual fundraiser has moved home ! An elegant evening with a reception, three course meal, live entertainment and our Save-A-Life program. This event raises more than 30% of the fiscal budget for quality healthcare for those in need.
