

Eagle Creek Golf Classic Supports Neighborhood Health Clinic

Naples, FL – 3/30/18 – The Neighborhood Health Clinic – a nonprofit, volunteer-driven organization providing Collier County’s working, uninsured residents affordable medical and dental care – received \$3,000 towards patient services from funds raised during the January 2018 Eagle Creek Country Club Golf Classic.

“As a comprehensive healthcare provider, the Clinic offers some of the Collier County’s more than 45,000 uninsured workers access to both general practitioners and specialty clinics, including vital dental care,” explains Development Coordinator Marcie Burland, “This means local fundraisers play a crucial role in meeting the ever-growing need in our community.”

The check was presented during an event hosted on Thursday, March 22, 2018. Additional charities also received funds, including Avow, Catholic Charities, Grace Place for Children and Families, Manatee Elementary and Middle Schools, Panira Healthcare Clinic and St. Matthew’s House.
