Another Successful Event!

Thanks to the generosity of Clinic supporters, the 2019 Gourmet Vintner Dinner was again a success, raising \$1.1 million for patient services. Held at The Ritz Carlton, the evening focused on the Clinic's 20 years of medical and dental services in Collier County. Presenting sponsors Pat and Vince Foglia and Chair Susan Jones created a festive evening, which celebrated the Clinic's patients and care the Clinic provides.

Congratulations to Dr. Sean Kelley, who was the recipient of the William P. Lascheid Founder's Award. The award is given to a volunteer sharing the qualities exemplified by Dr. Lascheid: vision, leadership and the mission of caring for those in need with dignity and compassion. Dr. Kelley has been a loyal volunteer at the Clinic for twenty years.

Anniversary Celebration

In 1998, the Neighborhood Health Clinic was an idea conceived in the Lascheid's kitchen. The concept of a medical clinic for the working poor gained momentum and attracted supporters. With shared enthusiasm of friends and help from professionals and volunteers in the community, the Clinic was able to open its doors on April 12, 1999.

In honor of this day twenty years later, the Clinic will be hosting an anniversary celebration! Mark your calendars for April 12, 2019 from 3:00pm-6:00pm at the Neighborhood Health Clinic. This is a free event with complimentary refreshments. More information to come, check the website for more details.
