CLINIC GROUNDBREAKING, BUILDING NAMING SLATED FOR FEB. 18

[The Neighborhood Health Clinic's](#) ceremonial groundbreaking for the final phase of its three-year expansion effort, including the unveiling of the Armstrong Medical Building, will take place at 10 a.m. on Feb. 18 at 88 - 12th St. N. in Naples. The \$12.8 million expansion launched in 2017 breaking ground on the Van Domelen Education & Wellness Building. The February ceremony for trustees, board of directors and key leadership, in adherence with COVID-19 guidelines, will be followed by a late fall celebration open to the community that showcases the campus and enhanced services. When completed later this year, the expanded campus will feature more than 33,700 square feet of space dedicated to meeting the comprehensive dental and medical needs of Collier's uninsured workers with an on-site medication room; onsite laboratory for basic tests; state-of-the-art dental suite with four operatories, a Panorex, dental lab and sterilization area; radiology suite with an MRI, CT scan, X-ray and mammography operated by Millennium Physician Group staff; Armstrong Medical Building providing expanded patient care; and the Van Domelen Education & Wellness Building with classrooms, a teaching kitchen and meeting space.
