

Keeping in touch with the Clinic!

Our recent audit determined that for every donated dollar 94 cents is used for patients services - providing comprehensive care including primary and specialty care, medications, labs, counseling and educational classes to care for those in need in Naples.

For the third year running, as of May 2022, the Clinic achieved another **Gold Rating from the National Association of Free and Charitable Clinics (NAFC) Quality Standards Program.**

This recognition certifies that the Clinic has maintained certain policies and procedures in place attesting to our commitment to providing quality care.

It's Official!

By Proclamation of

City of Naples Mayor, Teresa Heitmann,

Tuesday, April 12, 2022 was designated as:

"Neighborhood Health Clinic - Hope and Healing for Those in Need Day..."

...in the City of Naples, and we offer our deepest appreciation and sincere support for the Clinic's healthcare volunteers and loyal supporters who freely give their valuable time and financial support to keep our community healthy." - Mayor Heitmann

April 12, 2022, also marked our **23rd Anniversary** of caring for those in need.

We are grateful to our heroic volunteers and loyal donors who have supported our mission for 23 years!

The Clinic's **Annual Report 2021** is hot off the press. Let us know how you like it... we're always interested in your feedback. Email your reply to info@clinicnaples.org

Volunteer Perspective

"Dr. Joe" Vento, Clinic volunteer since 2017

"I practiced Family Medicine for over 35 years. I loved my work and couldn't imagine doing anything else with my life. When I retired, I missed my patients and my profession. I felt a need to give back to my community in return for the many blessings I've enjoyed in my lifetime."

"I am fortunate to have found the Neighborhood Clinic of Naples. It's inspiring to see the facility and services that the Clinic has put together, and a privilege to be part of it. It is very fulfilling to volunteer for an organization that provides health care, medication and much more, to those suffering with chronic diseases without access to services anywhere else."

And the Clinic is fortunate to have Dr. Joe Vento among our volunteer physicians sharing their expertise in caring for patients.

Thank you, Dr. Joe, and all volunteers at the Clinic. We couldn't do what we do without you!
